

# BETHESDA CHILD OF THE MONTH

July 2008

## Mpho

Mpho and her younger brother Jack have been a part of the Bethesda family since June 2007. Their baby sister, Dipuo joined them later. They all started out in the Shikwambane's home until a fifth childcare home was opened with John and Primrose Kolokoto as houseparents.

Mpho is now an important part of the Kolokoto's home. Mpho's eager and helpful character makes her a great blessing to her parents. She loves to cook and bake with her mom. She also enjoys cleaning and organizing people and things.

One of Mpho's greatest strengths is her leadership ability. She has a big impact on others. For that reason, her parents are praying that she will continue to learn to handle anger and frustration properly, and are faithfully working with Mpho in this area.

Another area Mpho is working hard in is reading. She earnestly desires to make progress in learning to read, but it has been difficult for her. Please pray along with us that God would help her persevere in her academic work.

Recently, Mpho told her mom that she wants to go back to her old church and tell them about Jesus and how He can save them from their sins, instead of the leader they worship. We are thankful for her desire to share the Good News she's learning about with others.

Please join us in praying for Mpho that she would become a young lady that knows and follows Christ and leads others to do the same!
