

BETHESDA CHILD OF THE MONTH

September 2008

Lawrence -

Lawrence came to Bethesda after living for an extended period of time in a "place of safety" in our area. Although a place of safety is meant to be a temporary shelter for children, Lawrence spent many years there before coming to Bethesda. We were excited to welcome him into the Shikwambane family in October 2007.

Fritz and Masello and the rest of their family welcomed Lawrence with open arms. He was excited to finally have a place to call home and a family again. He has adjusted quickly to family life and is very social with everyone on the property. Lawrence really enjoys having people around him. He is full of smiles and loves to laugh! He is helpful around the house and enjoys doing chores, most of the time ☺. He loves to bake and has aspirations of being a chef or baker someday.

Lawrence (Lerry)

Lawrence and friends after a weekend game of Capture the flag.

Lawrence is currently in the fifth grade class at Jabulane Christian Academy. He is working hard to fill in some gaps in his education. Currently he is diligently working to improve his ability in reading and writing English.

Please join us in praying that Lawrence will come to know Christ as Saviour soon and have a growing relationship with Christ. Please also pray for him as he finishes the school year. Pray for a teachable spirit, quick understanding, and diligence in his work. You can also pray for Lawrence to develop godly relationships with friends here at Bethesda.

* Pray for Lawrence *

- That he will understand his need of salvation and accept Christ.
- That he will continue to improve in reading and writing English.
