

BETHESDA CHILD OF THE MONTH

February 2009

Albert

Albert was first introduced to you in June 2006 when he arrived as a three year old. He has since grown up from the little boy that first came and has entered school for the first time this year. He was both excited and nervous to meet his teacher and start this new learning experience!

Although Albert is known as being mischievous, he has grown in his understanding of right and wrong. He is often repentant when he realizes that he's done wrong, a trait that his house parents are very thankful for and seek to encourage in him.

Albert enjoys playing with his older brothers very much. He's always willing to wrestle and play rough and tumble games. He's never short on energy!

Albert

Albert loves to play!

Even though he's almost always on the go, Albert loves to help others. Whenever there's an outside job he can do, he loves to cheerfully help his dad or others with that work.

Through the faithful teaching of His parents, Albert is growing in his understanding of God's Word. He also hears truth at church and now at school. Please pray with us, that the consistent teaching of Scripture in Albert's life will lead to his repentance and salvation.

Also, pray for Albert as he learns in school this year. Please remember to pray that he will desire to do right in class and work hard to learn in order to please His heavenly Father!

* Pray for Albert*

- That he will come to understand his need of salvation
- That he will be obedient to his parents and teachers out of a desire to please the Lord.
