

BETHESDA CHILD OF THE MONTH

May 2009

Masego

Last highlighted in 2005, Masego has blossomed from a small girl to a young lady in the fifth grade. She's a member of the Matjeni family here at Bethesda and has three sisters and two brothers. They have all recently moved off the Bethesda property to the Matjeni's home in Soshanguve and are adjusting to many changes in their lives!

Masego is a serious girl most of the time, but sometimes she can still get the "giggles" and be very joyful in a variety of circumstances. She's worked hard on her attitude particularly at home and at school over the last year.

Masego loves to help people. She is always on the lookout for ways that she can be helpful. She particularly enjoys helping at school with extra jobs around the classroom.

Masego works on a project at school.

Some of Masego's favorite things to do are: play, help others, and talk with her friends. Every day at recess or break during school, she can be found sitting on the swings talking with her friends.

Her parents point out that Masego's strengths are her desire to help and her ability to cope with problems that come into her life.

Elias and Mamtijie ask for prayer as they seek to encourage Masego to grow in godliness. They desire to see Masego be willing to quickly admit when she's been wrong and ask for forgiveness. Her parents are also working with her on not provoking other children, but instead, to be a peacemaker in the home. Please join Elias and Mamtijie as they pray for Masego in these areas.

* Pray for Masego *

- She would realize her sin and quickly repent and ask for forgiveness
- She would have good health, particularly throughout the upcoming winter months
