

BETHESDA CHILD OF THE MONTH

August 2009

Lebo

Lebo is the eldest of three girls that joined the Sithole family in June 2009. She just had her 13th birthday which she enjoyed celebrating with treats at home and at school! She and her sisters have quickly become a very special part of Bethesda and their new family.

Lebo enjoys worshipping the Lord whether at home, church, or school devotion time. She is known to ask at home, "When are we going to start our devotions today?" She loves to help with cooking and also enjoys reading.

Though Lebo can be quite serious at times, once you get to know her she has a beautiful smile and a sweet spirit that quickly shows.

Lebo

Lebo, Thembi, and Julia

Lebo is often the peacemaker in her family. She is the oldest of all the children in the home and takes her role of big sister seriously. She is always helpful to her mom and the other kids in her family and is dedicated to the tasks she's given.

There are several ways you can remember Lebo in prayer. First, she is still learning English. This means school is a lot of work for her! Please pray for her to quickly learn both spoken and written English. She's also recently had a respiratory illness. Pray for her to recover quickly and stay well despite our current cold weather.

As Lebo learns truth from Scripture in her new home, please pray that she will apply what she learns and gain a deeper understanding of the Bible and who God is. We thank God for Lebo and are excited to see her continue to grow in her knowledge of Him.

* Pray for Lebo *

- That she will quickly learn English
- That she will recover completely from her recent illness
 - That she will grow in spiritual understanding
