

Bethesda Child of the Month

February 2012

Lawrence

Lawrence was last featured in the Child of the Month in 2008 and is quickly growing into a young man. He has been at Bethesda for over 4 years and is now 16 years old. Lawrence is thankful to be living in the Shikwambane home and enjoys playing games like *Uno*, soccer and hide and seek with his brothers and sisters. He is an excellent soccer player and has a beautiful singing voice!

He is now attending school at Prestige College and likes to be with his friends. Of all his classes, he enjoys his English, Technology and Physical Education classes most. He also looks forward to using the computer and playing some of the games that are on there. He is very much a "people person" and plays jokes on other people to make them laugh.

At church, Lawrence is glad to be known as one of the pastor's (many!) kids. He serves in his church by singing and getting to know others.

Lawrence struggles in some areas and wishes that he were better at reading and understanding concepts at school. It is hard to stay motivated and disciplined to do homework when he doesn't always understand it. He is also working to be more obedient at home.

He has asked that you specifically pray for him that he would come to know God more and more and that he would improve in his understanding at school so that he can apply the information and concepts much faster.

He is so thankful for his family and that he has brothers and sisters now. He is also very thankful to be alive and that he has had the opportunity to hear about God since coming to live at Bethesda. Thank you for praying!

Please pray for Lawrence

**That he will come to know God more each day*

**That he will understand the concepts and information from school more quickly*
